

Munsbach, August 31st, 2015.

Dear Sir or Madam,

Complying with capital market sanctions, imposed on certain countries, represents a major challenge for financial institutions. There is a risk of serious financial and reputational damage to investors that trade in sanctioned or in banned instruments.

CETREL Securities has developed the Global Sanctions Monitoring service, in order to identify all sanctioned entities and securities in line with international financial sanctions.

CETREL Securities organizes an event to discuss the challenge in complying with all sanctions, and to present in detail its new offering, which covers International Sanctions, Ukraine Crisis Sanctions and Cluster Munitions Ban.

Event Program:

- 15h30 - 16h00 : Registration
- 16h00 - 16h30 : Presentation of the challenge in complying with all sanctions
- 16h30 - 17h00 : Presentation of CETREL Securities Global Sanctions Monitoring service
- 17h00 - 17h15 : Presentation of a client case
- 17h15 - 17h30 : Questions & Answers
- 17h30 - 19h00 : Cocktail and Networking

This event will take place on **October 20th 2015, at Sofitel Europe**, 4, rue du Fort Niedergrünwald, Luxembourg Kirchberg (parking available for free).

We would be pleased to see you participating in this event, and don't hesitate to register by sending an email to events@cetrel-securities.lu with your details (name, company, function, telephone).

To give you an overview, we have joined to this mail a printed presentation of CETREL Securities' Global Sanctions Monitoring service.

Feel free to contact us should you need any additional information.
